

digital POP

high impact - low cost

Digital POP

In this era of multi media display EML have developed a range of impactful displays designed to be easily updateable, cost effective and able to engage your customers at the point of purchase. As well as our standard 7" screens we also offer 10.5", 15" and 19". Customer logos or corporate colours can be added for a small charge... Free on 50+ orders. Please call for more details.
